

Drug Repurposing News!

We have exciting drug repurposing news! We have started a yeast drug repurposing project for SURF1 Leigh Syndrome with Perlara in August. Since then, a pilot screen of 2,500 known drugs was completed and we have hits! To learn more please visit: <https://perlara.substack.com/p/drug-repurposing-with-yeast-avatars>

We look forward to sharing more results from this project as well as funding more Leigh syndrome genes!

NEW WAYS TO GIVE

Cure Mito Foundation is a 100% volunteer and parent-led organization. When we are not advancing our mission, we are busy with our day jobs or providing care to our child with Leigh Syndrome.

All of your money goes to advancing the research that is so urgently needed by our community. Please consider us as you give this season. We have added some new ways to give to make sure you can donate in a way that's meaningful to you! Please check them out below!

NEW! Dedicate a Day of Hope in the honor or memory of your loved one or to acknowledge a special day in your life. Our first Day of Hope is in the honor of Will Woleben on the occasion of his upcoming 11th birthday from his parents. Please dedicate your own [HERE](#).

Day of Hope

TODAY'S DAY OF HOPE IS IN HONOR OF

Will Woleben
Leigh syndrome warrior

on the occasion of his upcoming 11th birthday!
Love, Mom & Dad

Thank you on behalf of the entire Cure Mito Foundation Community!

NEW!

Tees, hoodies, tanks, and more!

Wear your support and shop our Mito Mom and Cure Leigh Syndrome shirts and more at our Bonfire store:
